

USER MANUAL – EN

IN 26739 Spine protector inSPORTline Tartarugo

SevenSport s.r.o. reserves the right to make any changes and improvements to its product without prior notice. Visit our website www.insportline.eu where you will find the latest version of the manual.

The spine protector provides limited protection against impacts and injuries in the spine area.

The product meets the European standard: EN 1621-2:2014.

The protector is designed and manufactured to provide limited protection for injuries that may occur during falls or impacts. Protection is only ensured if the protector is properly attached. The protector does not provide full protection against spinal injuries.

Important: The protector is not able to provide total protection against injury.

Size	User height	Length from waist to shoulders	Standard	Impact transfer

T- (-10 °C)

Size ratio			
A	B	C	D
72%	29%	44%	29%
The proportions are given from the waist to the shoulders and the largest size.			

INTENDED USE

The protector is suitable for roller skating, skateboarding and motorcycles.

CHECK UP

Check the condition of the protector, especially the fastening straps. The protector only provides protection if it is properly attached. If the protector or any part of it is damaged, it must be replaced. We do not recommend leaving the protector exposed to external conditions or low temperatures. The manufacturer is not responsible for damage due to improper use or maintenance.

WEARING

Put on the protector so that it fits tightly to a specific part of the body. If the protectors are part of the garment, it is necessary that the garment is the correct size so that the protector fits the body.

The back protectors are fastened around the arms with elastic buckle straps and around the waist with Velcro straps.

Always use the entire protector, do not disassemble individual parts.

Always choose the right size, the protector should not be too small or too big, so that it does not hinder movement.

CLEANING

Do not submerge in water. Do not use chemical cleaners such as solvents, gasoline-based products, etc. Clean the surface with a damp sponge, away from padding and elastic straps.

Do not wash

Do not bleach

Do not iron

Do not tumble dry

Do not dry clean

MAINTENANCE AND STORAGE

Store the protector in a dry and well-ventilated place. Do not expose to direct sunlight. Check the Velcro regularly. Clean from dirt after each use. The protector does not contain toxic substances. The protected area only applies to the area that is covered by the protector.

After the product lifespan expired or if the possible repairing is uneconomic, dispose of the product in accordance with local regulations and in an environmentally friendly manner. If you are not sure, consult with the local responsible authorities to avoid violation of regulations and subsequent penalty.

The protector does not protect against spine injuries.

WARNING

1. Keep the protector away from sources of heat and open flames.
2. No protector can protect you against all accidents and injuries.
3. No upper back protection in case of lumbar protector.
4. No shoulder blade protection in case of central back protector.
5. Excessive bending and twisting of the protector are considered improper use. You can damage the protector or reduce its protective properties.
6. The back protector does not protect against twisting or unnatural movement.
7. Extreme changes in ambient conditions can reduce the effectiveness of the protector.
8. The product is designed to reduce the effectiveness of impacts or falls. Any changes or misuse can fundamentally affect its effectiveness.

ENVIRONMENT PROTECTION

After the product lifespan expired or if the possible repairing is uneconomic, dispose it according to the local laws and environmentally friendly in the nearest scrapyard.

By proper disposal you will protect the environment and natural sources. Moreover, you can help protect human health. If you are not sure in correct disposing, ask local authorities to avoid law violation or sanctions.

Don't put the batteries among house waste but hand them in to the recycling place.

TERMS AND CONDITIONS OF WARRANTY, WARRANTY CLAIMS

General Conditions of Warranty and Definition of Terms

All Warranty Conditions stated here under determine Warranty Coverage and Warranty Claim Procedure. Conditions of Warranty and Warranty Claims are governed by Act No. 89/2012 Coll. Civil Code, and Act No. 634/1992 Coll., Consumer Protection, as amended, also in cases that are not specified by these Warranty rules.

The seller is SEVEN SPORT s.r.o. with its registered office in Strakonická street 1151/2c, Prague 150 00, Company Registration Number: 26847264, registered in the Trade Register at Regional Court in Prague, Section C, Insert No. 116888.

According to valid legal regulations it depends whether the Buyer is the End Customer or not.

"The Buyer who is the End Customer" or simply the "End Customer" is the legal entity that does not conclude and execute the Contract in order to run or promote his own trade or business activities.

"The Buyer who is not the End Customer" is a Businessman that buys Goods or uses services for the purpose of using the Goods or services for his own business activities. The Buyer conforms to the General Purchase Agreement and business conditions.

These Conditions of Warranty and Warranty Claims are an integral part of every Purchase Agreement made between the Seller and the Buyer. All Warranty Conditions are valid and binding, unless otherwise specified in the Purchase Agreement, in the Amendment to this Contract or in another written agreement.

Warranty Conditions

Warranty Period

The Seller provides the Buyer a 24 months Warranty for Goods Quality, unless otherwise specified in the Certificate of Warranty, Invoice, Bill of Delivery or other documents related to the Goods. The legal warranty period provided to the Consumer is not affected.

By the Warranty for Goods Quality, the Seller guarantees that the delivered Goods shall be, for a certain period of time, suitable for regular or contracted use, and that the Goods shall maintain its regular or contracted features.

Batteries

6-month battery warranty – we guarantee that battery's nominal capacity does not fall below 70% of its total capacity within 6 months of the product's sale.

The Warranty does not cover defects resulting from (if applicable):

- User's fault, i.e. product damage caused by unqualified repair work, improper assembly, insufficient insertion of seat post into frame, insufficient tightening of pedals and cranks
- Improper maintenance
- Mechanical damages
- Regular use (e.g. wearing out of rubber and plastic parts, moving mechanisms, joints, wear of brake pads/blocks, chain, tires, cassette/multi wheel etc.)
- Unavoidable event, natural disaster

- Adjustments made by unqualified person
- Improper maintenance, improper placement, damages caused by low or high temperature, water, inappropriate pressure, shocks, intentional changes in design or construction etc.

Warranty Claim Procedure

The Buyer is obliged to check the Goods delivered by the Seller immediately after taking the responsibility for the Goods and its damages, i.e. immediately after its delivery. The Buyer must check the Goods so that he discovers all the defects that can be discovered by such check.

When making a Warranty Claim the Buyer is obliged, on request of the Seller, to prove the purchase and validity of the claim by the Invoice or Bill of Delivery that includes the product's serial number, or eventually by the documents without the serial number. If the Buyer does not prove the validity of the Warranty Claim by these documents, the Seller has the right to reject the Warranty Claim.

If the Buyer gives notice of a defect that is not covered by the Warranty (e.g. in the case that the Warranty Conditions were not fulfilled or in the case of reporting the defect by mistake etc.), the Seller is eligible to require a compensation for all the costs arising from the repair. The cost shall be calculated according to the valid price list of services and transport costs.

If the Seller finds out (by testing) that the product is not damaged, the Warranty Claim is not accepted. The Seller reserves the right to claim a compensation for costs arising from the false Warranty Claim.

In case the Buyer makes a claim about the Goods that is legally covered by the Warranty provided by the Seller, the Seller shall fix the reported defects by means of repair or by the exchange of the damaged part or product for a new one. Based on the agreement of the Buyer, the Seller has the right to exchange the defected Goods for a fully compatible Goods of the same or better technical characteristics. The Seller is entitled to choose the form of the Warranty Claim Procedures described in this paragraph.

The Seller shall settle the Warranty Claim within 30 days after the delivery of the defective Goods, unless a longer period has been agreed upon. The day when the repaired or exchanged Goods is handed over to the Buyer is considered to be the day of the Warranty Claim settlement. When the Seller is not able to settle the Warranty Claim within the agreed period due to the specific nature of the Goods defect, he and the Buyer shall make an agreement about an alternative solution. In case such agreement is not made, the Seller is obliged to provide the Buyer with a financial compensation in the form of a refund.
